Empowering a new generation of Americans for 42 years

www.HispanicUnity.org

Updated for 2024
Century by century, immigrants have journeyed in steerage class, across great oceans, in the hopes of building better lives in America for themselves and their families. Arriving with little more than the clothes on their backs with no understanding of the life that awaits them on America’s shores – they come with hopes and dreams.

The new immigrant moves in with relatives or friends and pursues skills to conquer the language, understand the culture, establish economic stability and then send for the family who lays in wait.

Describing the United States as a nation of immigrants is more than cliché.
About Hispanic Unity of Florida (HUF)

South Florida’s Unique Story
South Florida’s geographic location has made it a popular destination for Caribbean and Latin American immigrants, as well as others from throughout the world. Though countries of origin and points of entry differ from the “classic” immigrant tale, their issues and needs remain the same.

An Institution is Born
Hispanic Unity was founded in 1982 by community leaders to ease the acculturation transition for newcomers from other nations.

HUF has served as the “Ellis Island” for new immigrants arriving in South Florida.
